Youth Animal Project Agreement

(to be completed at beginning of project)

The youth is responsible for caring for the animal, which will include feeding, deworming, providing fresh clean water, providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal.

I accept these responsibilities.

Date

Signed - Youth

The parents are responsible for providing financial help if needed along with assistance and encouragement while the youth is raising this animal.

We accept these responsibilities.

Date

Signed - Parent/Guardian

The 4-H leader/FFA advisor or the Extension Agent is responsible for visiting the youth and the animal to give assistance when needed.

***NOTE The animal drug statement at the back of this record book must be signed by the youth and the parent/guardian at the beginning of this project.**

PURPOSE

The purpose of a 4-H/FFA small animal project is to achieve the following:

- To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals.
- To be able to identify the types and breeds of animals and employ efficient methods of production and marketing.
- To understand the business aspects and economics of purchasing animals, feed, facilities, and equipment for an animal project.
- To develop integrity, sportsmanship, and cooperation.
- To develop leadership abilities, build character, and become responsible citizens.

GOALS AND ACHIEVEMENTS FOR THIS PROJECT

Choose several goals for your project. Goals should be established at the beginning of your project. They should be challenging, yet attainable. Goals should include all aspects of your project. At the close of the project, the achievements should be compared with your goals. Check off what you plan to do or write your own in the space provided. Then, have your leader initial and date the goals you achieve.

What I plan to do:	Goal	Date Achieved	Leader's Initials	Comments
	Raise my animal(s) to completion and exhibit it at the county fair.			
	Exhibit my animal(s) at fairs other than county fair.			
	Identify breeds of poultry, rabbits, or cavies.			
	Identify the parts of my small animals.			
	Learn correct showmanship techniques for my animal(s).			
	Recognize healthy and unhealthy animals.			
	Identify methods of controlling external parasites.			
	Learn to administer medications.			
	Identify equipment needed to raise a small animal.			
	Complete my record book to the best of my ability.			

PROJECT ANIMAL INVENTORY

List all animals you own at the beginning of the project and add any animals you purchase or animal(s) born during the project year. Animals sold during th year should be recorded under OTHER INCOME. Animals sold should have a \$0 value at end of project for this page.

****Beginning \$ Value:** Value of existing animals at beginning of project OR purchase cost of new animals OR value of animal(s) born.

***\$ Value at end of project:** Your animals value should increase and is an estimated value.

PROJECT INVENTORY

Use this page as a record of equipment and assets you had at the beginning of the project, as well as those items you purchase during the project that will be kept after the project is completed. (Example: clippers, automatic feeder, bucket, brushes, etc.)

Purchase Price, Value or Beginning Value: Use this column if you purchased, acquired, or had at the beginning. If you purchased the item this year, use the purchase price. If you acquired the item this year, use fair market value to determine the value of the item. If you had the item on hand from last year's project, use the value at end. **Value at End:** Use this column for items you had at the beginning (Value at Beginning - Depreciation), as well as items purchased or acquired during your project (Purchase Price, Value or Beginning Value - Depreciation). Depreciate items used in this year's project by 20%. **Example-** brushes, buckets, show box, etc. Do not include your animal on this page.
