## GOALS AND ACHIEVEMENTS FOR THIS PROJECT

Choose several goals for your project. Goals should be established at the beginning of your project. They should be challenging, yet attainable. Goals should include all aspects of your project. At the close of the project, the achievements should be compared with your goals. Check off what you plan to do or write your own in the space provided. Then, have your leader initial and date the goals you achieve.

What I plan to do:	Goal	Date Achieved	Leader's Initials	Comments
	Raise my animal(s) to completion and exhibit it at the county fair.			
	Exhibit my animal(s) at fairs other than county fair.			
	Identify breeds of poultry, rabbits, or cavies.			
	Identify the parts of my small animals.			
	Learn correct showmanship techniques for my animal(s).			
	Recognize healthy and unhealthy animals.			
	Identify methods of controlling external parasites.			
	Learn to administer medications.			
	Identify equipment needed to raise a small animal.			
	Complete my record book to the best of my ability.			

## PRODUCTION INCOME:

For projects where product is sold. Keep track of the income generated from products from your project. (ie: eggs, fur, meat, etc.)
